DAILY STAFF MEETING

Tuesday, 26 June 1951

HR70-14

Mr. O'Gara discussed the personnel situation of OPC. It was noted that this office hoped to obtain an additional [redacted] by 1 January 1952. The greater majority of these people are to be used in field positions. O'Gara is discussing this matter with Personnel, Security and Communications Division in an effort to determine whether in fact we can, and will be prepared to, process this number in addition to recruiting personnel for other offices of the Agency.

Mr. Kirkpatrick briefly discussed:

- a. Progress on the Magnitude Paper.
- b. The Military Government papers received from State, sent to OPC [redacted] and which will now go to OIC.
- c. General Marshall's letter regarding procurement and training of personnel. In this connection, Kirkpatrick has a draft letter to General Bradley.
- d. Plans for our new building. DD/A will probably set up a Building Staff to consider the desires of the various AD's regarding construction of the building.
- e. The arrival of [redacted] on 2 July and noted that [redacted] desires office space in neutral territory.

[redacted]

Approval was given for [redacted] to attend PRC Meetings at which OPC projects are discussed.
